CITY OF GALVA

CROSSWALKS DESIGN COMPETITION

May 5 – 19, 2025

To celebrate our legacy, our vision for a thriving community, and to beautify downtown and our public spaces, the City of Galva and its partners are hosting a “Crosswalks Design Competition”.

Community members of all ages are invited to propose patterns that express the city’s legacy, the community’s strengths and commitment to innovation in agribusiness, manufacturing, and green energy, and for the creative economy like music, art, and design.

Base drawing for digital creation of submission or for hand drawn artwork can be downloaded from the City’s website and Allenia Space’s Facebook page. Limited printed page will be available at participating businesses and partners, which may include the Public Library, the Post Office, gas stations, and more.

NOTES

Everyone is encouraged to view **Galva Comprehensive Plan** materials prepared by the Hometown Consulting team currently displayed at Allenia Space until May 19, 2025, and provide input for the future of Galva. Feel free to use art supplies available at Allenia Space while working on your crosswalks design submission.

The selected design will be either implemented before or featured during the Levitt AMP Galva Festival. The final design may be adjusted to fit the field conditions. The City has the sole authority to determine the locations of the decorated crosswalks.
